

*$25 provides one Holiday Meal Box for a family of 8*

# Dear Friend,

The holidays are a time for gathering around the table, sharing a meal, and making memories with the people we love. But for some of our neighbors, simply having enough food can be a challenge.

Earlier this year, a family arrived in Genoa after losing their home in a fire. After spending the summer living in an RV, they finally found an apartment and began rebuilding their lives. When they came to us for food, we gladly opened our pantry doors and invited them to choose the food their family needed. For a family starting over in a new home, having food in their kitchen meant one less worry during an incredibly difficult time.

**Your support helps make moments like this possible. Imagine what a holiday meal could mean to this family.**

A table filled with a turkey or ham and all the trimmings can provide more than food. It can offer comfort, connection, and a moment for a family to gather and celebrate together.

**Through Rooted For Good-Genoa, $25 provides a Holiday Meal Box for a family of eight and supports ongoing program needs.**

Will you join us in helping our neighbors have a bright holiday season? Your gift can help put a special meal on a family's table and remind them they are not alone.

Thank you for being a neighbor who helps neighbors!
